Happy Friday!

Looking forward to seeing all y'all on **Monday, May 15th, 2:00pm at Sirens** to discuss the site visit.

We have to organize a stakeholder meeting on June 2nd and a tour of our proposed District.

We will also be asked about the "walk-ability" of the District and I don't see anything in the legislation requiring it must be walkable:

- <http://arts.ca.gov/files/CAC%20CD%20final%20-%20for%20web.pdf>
- <https://www.caculturaldistricts.org/>

We asked the PBID if they would be willing to provide the gas powered Trolley for the District Tour and I believe they are amenable.

Looking forward to a productive meeting and an awesome site visit!
